Calvin Core Faculty Resources Now Available

The new Core Program Governance Teams Site is now available. This site will house all documents, information, and application materials related to the Calvin Core as we move forward. It can be accessed either directly through [Teams](#) or the [Calvin Core Advising page](#).

As of today, the site contains the list of the current Core Fellows and Consultants and the rubrics that will be used to assess courses for each of the Engaged Citizenship Commitment tags (Diversity & Difference, Environmental Sustainability, and Global Regions & Cultures) as well as the Contemporary Challenges and Enduring Questions category. Additional materials, including the applications for 3-year approval of courses in all categories will also be added to this site in due time.

If you are interested in being added to the Team, click on the [Teams link](#) to request access or contact [Todd Dornbos](#).
